Exhausting

Disturbing

Threatening

Agonising

Sound Sources by reported proportions :

Alison  
Relaxed, seagulls on the water

Paul  
Distant aircraft on a foggy day. Not many planes flying

David  
Morning flight from city airport.  
WHY DO I NEED TO PUT UP WITH THESE FLIGHTS?

Set  
Normal traffic on the road flyover

Paul  
Aircraft noise breaking the silence. Annoying

Leo  
A boat on the river

Claire  
Traffic/industry, aeroplane and train. Unpleasant, not easy to relax outside

Alison  
Jets - I have to close the windows and turn the TV up

Claire  
Traffic/industry and jet aeroplane. Not relaxing in any way with this noise at home

David  
Plane from LCY Abrupt. High Pitch

Alison  
Birdsong & background traffic noise in distance Very relaxing and makes riverside enjoyable

Alison  
No planes due to fog, bird song, background traffic rumble. Relaxed

Bob  
Readings affected by local traffic & people talking I didn't notice any background noise from main road

Paul  
Distant aircraft & road traffic. I felt used to this level of noise, not pleasant, but acceptable. Weather was cold and damp

Alison  
Heathrow plane. Repeated engine noise from runway. Makes me want to stay indoors. Still, sunny day! 58.77 Annoy

Paul  
Aircrafts taxiing & take-off. Prolonged aircraft noise making me feel uncomfortable

Claire  
Traffic from north Woolwich road. Jet aeroplane circling above Constant sounds outside. not really possible to be comfortable in garden

Claire  
Jet aeroplane just after taking off, DLR train and constant traffic. Not comfortable. Disturbing. Hard to relax

Alison  
Loud bird song. Nine planes in the sky all Heathrow bound

Alison  
Loud beautiful bird song. Deep humming, engine noise in distance. Slight breeze

Alison  
Relaxed. Background rumble from traffic and birdsong

Paul  
A13 traffic hum, I am getting used to it

Leo  
Motor barge

Paul  
Mainly passing motor vehicles. Medium level engine noise. Not pleasant at all

David  
The same plane talking off again. Swiss Air BAE 146. Thought to myself, why do they lie about the noise of the aircraft?

Leo  
Jet Taking off

Leo  
Jet & Thames clipper

Paul  
Aircraft movements blended into road traffic hum, louder than during the day, fairly annoying

Paul  
Rumbling noise of aircraft movements - unpleasant

Alison  
Generator on river bank path, propellor plane. Constant sirens in distance and generator. Irritated and stressed

Alison  
Propellor plane. Want to close window & get away from sound. Wet & southerly wind

Claire  
Heavy traffic and aeroplane circling area. Too loud at times to hear someone speak

Alison  
Aircraft overhead & engine noise from runway echoes around makes it feel like commercial not residential. I'm irritated

Alison  
Planes descending to land. Engine on runway. Flights at 90 second intervals

Alison  
All jets landing in from east to LCA. Hurts my ears and blocks out all other sounds

Alison  
All jets are taking off eastwards. Hurts my ears and I cannot hear anything else while the jets go over

Alison  
Prop plane and private plane. The frequency of repetition of the noise makes you feel more irritated
